WHAT IT IS

A detergent free cleanser and toner in one, the Gentle Foaming Cleanser is a pH balanced and fragrance free product designed to clear the skin of makeup, dirt and cellular debris. The soft foam is non-medicated, containing soothing and moisturizing ingredients that make it great for almost any skin type, especially sensitive, blemished skin. Beside being offered in a 7.8 oz. retail size, this product is available in a convenient 16 oz back bar professional size, perfect to use in normal to sensitive skin facial treatments, and the Faith Skincare Acne Facial.

WHAT IT DOES

The cleanser keeps the skin's proper pH in tact, while gently removing dirt, oil, and makeup from the pores. "Keep it simple" was the guideline when creating this cleanser. It's gentle enough for most skin types, using ingredients that soothe rather than medicated ingredients that dry and irritate the skin.

INGREDIENT FEATURES AND BENEFITS

Calendula Flower Extract: Traditionally used in holistic medicine to treat acne, Calendula has astringent, antiseptic, antifungal, and anti-inflammatory properties.

Canadian Willowherb Extract: A soothing herbal extract traditionally used to reduce irritation and inflammation in the skin cells. Canadian Willowherb also clears away p.acne bacteria.

Sweet Orange Oil: Provides a fresh clean scent and has antiseptic and anti-inflammatory properties.

WHAT YOU WON'T FIND ON THIS LABEL

Faith Skincare is dedicated to promoting a holistic lifestyle, therefore our products are formulated without the use of parabens, sulfates, carcinogens, animal derivatives, and synthetic fragrances. The surfactants used to create a lather are vegetable derived, and have received ECO-CERT, a European certification for "green" ingredients.
