WHAT IT IS

The Purifying Powder is a revolutionary formula based on alternative medicine, that uses the power of vitamins and herbs to clear the complexion and prevent future breakouts. This product is the anchor for Faith Skincare's Acne Management System, as we emphasize the importance of nutritional balance when addressing one's skin care needs. Mix one scoop with two ounces of milk or water one to two times a day, dependant on severity of skin problems. *For best results, we recommend taking the powder for 30 days, taking a break for 10 days, and repeating the process until you experience desired results.

WHAT IT DOES

Nutritional supplementation and detoxification is an important step in having clear, healthy skin. The Purifying Tonic Powder balances and clarifies the skin's texture by eliminating toxins from the body, and increasing its ability to heal itself. The idea is that by creating an environment within the body that bad bacteria cannot survive, you will eliminate the potential for p. acne bacteria on the skin's surface.

INGREDIENT FEATURES AND BENEFITS

Vitamins B5, B6, C, and E: Assist in skin repair and the strengthening of blood vessels, and protects the skin from free radicals that cause toxicity and plague the environment.

Dandelion Leaf, Milk Thistle, Yellow Dock, Burdock Root, and Artichoke: Traditionally used to increase the flow of bile in the body. The most important digestive chemical in the body, bile transports toxins neutralized by the liver out into the intestines for excretion. Bile also helps emulsify fat soluble vitamins, and the absorption of essential and non-essential fatty acids.

Wasabi Powder: Increases blood circulation, anti-bacterial and anti-fungal agent, liver detoxifier.

Acai: A berry from the Amazon Rain Forest, Acai helps build the immune system, kills bacteria, reduces inflammation, and provides Omega Fatty Acid nutrients.

Passion Fruit Extract: A great source of fiber, vitamin A, iron and potassium, and beneficial for helping the body relax and calm nerves. If your client has trouble sleeping, it is recommended to take the powder at night as this ingredient has a calming affect.

Gum Guggul Extract: An anti-inflammatory that improves cardiovascular health, and lower insulin levels.

Please note, if your client is taking insulin for diabetes please have them check with their doctor before using this product.
