## WHAT IT IS

A detoxifying mineral mud masque that draws out oil, dirt and dead skin which commonly clog pores. Sulphur is the key acne fighting ingredient in this masque, as it powerfully dries blemishes and prevents them from coming back. This masque is a successful overnight spot treatment when used on individual new blemishes.

## POINTS OF DIFFERENCE

Faith Skincare uses the most luxurious clays and sediments that are commonly used in thalassotherapy and fango treatments. These specialty muds contain minerals that tighten the skin and leave it feelin gsoft and refreshed.

## INGREDIENT FEATURES AND BENEFITS

**Lacto Globulene Sulphur:** Fights blemishes by reducing inflammation, killing bacteria, and breaking down dirt and oil from the pores.

**Canadian Willowherb Extract:** A soothing herbal extract traditionally used to reduce irritation and inflammation in the skin cells. Canadian Willowherb also clears away p.acne bacteria.

**Tourmalina and Bio Marine Sediments:** used in fango and thalassotherapy, this combination of luxurious clay and mud revives skin radiance and detoxifies the skin through its high mineral content.

**Andiroba Seed Oil:** Acts as a wound healer, with anti-inflammatory and renewing actions promoted by limmonoids

**Hyaluronic Acid:** The key water maintaining substance in the skin, HA holds 100x's its weight in water. Environmental pollution and aging derease this ingredient in our skin, but studies show that HA applied topically promotes circulation and hels the skin absorb nutrients.

**Acai Puree:** A berry found in the Amazon Rain Forest that contains more antioxidant, anthocyanins than red wine or blueberries.

**Tea Tree:** Faith Skincare's time release, allergen free tea tree oil successfully reduces irritation and redness due to its antimicrobial and anti-inflammatory action.
